The AKArama Foundation, Incorporated Environmental Ownership committee thanks you for supporting The Ivy House, the foundation of Zeta Beta Omega Chapter in Flint, MI. To date we have sent \$634.00, plus 180 gallons of water, cases of baby wipes and counting.

11 March - Safely dispose of pharmaceuticals by removing your personal information and bringing the containers of expired/unused pharmaceuticals to the collection before and after Chapter meeting. Items will be taken to the collection box at the local police station (70th and Cottage Grove).

19 March - Earth Hour is at 8:30pm. For one hour turn off & unplug all non-essential electricity. Document how you spent Earth Hour and send to keholloway@hotmail.com.

Blooming in our April reports, details about the upcoming:
22 April Earth Day & 23 April CSC Green Pinky Day
21 May 1908 Playground Mobilization Day

Read about other sustainable solutions and green opportunities in *All Things Green* on the website.

Our suggestions for the Central Regional Conference:

- Carry a reusable bag to collect vendor purchases instead of accepting numerous plastic bags
- If you are not staying at the hotel, consider commuting with another Soror by car or taxi or take public transportation.

Sisterly yours,
