February 12, 2016

Clean water is essential for wellness. The AKArama Foundation, Incorporated Environmental Ownership committee sent a donation in support of The Ivy House water drives. Additionally, a Committee member drove cases of water to the location in Flint, Michigan. The committee encourages all members to assist the citizens of Flint, Michigan. Contributions can be made tonight with checks payable to the AKArama Foundation, Incorporated. The collected funds will be provided to The Ivy House, the foundation of Zeta Beta Omega Chapter who is hosting water drives and delivering water to residents.

11 March - Safely dispose of pharmaceuticals by removing your personal information and bringing the containers of expired/unused pharmaceuticals to the collection before and after Chapter meeting. Items will be taken to the collection box at the local police station.
