

Alpha Kappa Alpha Sorority, Incorporated

Theta Omega Chapter

Executive Committee Meeting

Friday, May 13, 2016

Good morning Sorors,

The Mentoring Committee has been busy!

During the month of March, we collected Mentor/Mentee pairing questionnaires. The committee then paired mentors with mentees based on the following: request for a specific mentor/mentee, age preference, geographic location, similar past and/or present careers and interest, and the mentee's chapter aspirations. We currently have approximately 60 mentor/mentee pairings (involving 110 sorors) that include our initiated sorors of 2015, transfer and reactivated sorors and current sorors seeking a mentor for added support.

On Saturday, April 2<sup>nd</sup> the committee facilitated the Mentor/Mentee program kickoff held here at the Center. The morning began with a welcome from our basileus, a program overview by committee members which then led into a brainstorming session by mentors and mentees to capture expectations of the programs, suggested activities (group and individual), and workshop/informational interest.

Sorors it is not too late to join the Mentoring Program. If you have recently transferred in, reactivated or perhaps you're a soror who hasn't quite found her place in Theta Omega please reach out to Mentoring Committee and we will quickly match you with a Mentor to enrich your sorority experience.

**SAVE THE DATE:** On Sunday, June 5<sup>th</sup> there will be a Mentor/Mentee Mix 'n Mingle here at the Center from 2 – 5 pm. The afternoon will be filled with food, fun and games for mentors and mentees. Come Spring Chic and mix it up! Yaaaasss!!!! Yaaaasss!!!!

We look forward to seeing you!

Sisterly submitted,

Soror Consuela M. Vanderford McLin

Mentoring Committee Chairman
