

AKArama Foundation, Inc.
Target III – Family Strengthening
Members Meeting ~ June 1, 2017
Chairman – Alicia C. Kelly

The Family Strengthening Committee met the May 30, 2017. Here is a summary of what we have done:

- In May we finalized our plans for the summer feeding program. It is clear to have an effective program we have to partner with other organizations. The primary partnership agreed upon is New beginnings Church Pastor Corey Brooks. We will have sign up sheets for the chapter for participants to serve on designated days for Theta Omega Members.
- We also decided to have boxes stationed in police stations, stores, and offices for our seasonal wraps. We will begin this process by writing a letter to the respective businesses requesting permission to place our boxes for clothing donation.
- We will assist Prosperity House by donating turkeys for the annual thanksgiving meal served the day before thanksgiving. We are specifically donating turkeys because this was requested by Ms. Davis the Director and CEO of prosperity House.

As a committee, we are preparing for National Day of Hunger on October 16, 2017. We are also partnering with TLOD Lincoln Park Chapter they are having their annual Women's Conference on October 21, 2017 here at the AKArama center.

Respectfully Submitted,

Alicia C. Kelly, Chairman
