

ALPHA KAPPA ALPHA SORORITY
THETA OMEGA CHAPTER
MUSIC COMMITTEE REPORT
JUNE 1, 2017

PURPOSE:

To implement plans for the sorority members to include specific activities regarding the music purpose of the Chapter.

The following items were addressed at the meeting of the Music Committee on Monday May 22, 2017.

- Purchase of the name plate that had been previously approved by the Chapter recognizing Soror Frances G. Carroll as the donor of the Yamaha Keyboard purchased in 2014.
- The storage of the Keyboard from the storeroom to the Ruth Montrose Room for the purpose of accessibility.
- The Music Committee's response to the request by Soror Basileus Bertina Power-Stewart to include the singing of the Chapter Hymn following the Pledge. This request is also directed at the correct singing of two phrases in the hymn.
- The need for welcoming Sorors to join the Music Committee as soloist's pianist's and members. The purpose of this is to enable the committee to secure and extend the musical talent of Theta Omega Sorors, furnishing music and performing at sorority functions and also to develop a "singing chapter" of enjoyable fun songs.

Respectfully submitted by
Soror Jacquelyn Duncan - Music Chairperson.
