Foundation Report
For AKArama Foundation, Inc., Executive Committee Meeting
Saturday, September 3, 2016

The AKArama Foundation Resource Development and Fundraising Committee met on June 7 with 8 members and will meet September 6.

A letter asking for contributions to Sustainers of the Dream has been sent electronically to members in the chapter newsletter and AKArama materials, and paper copies have been mailed to members who do not have email. In addition, the Director has sent personal emails to members who do not often come to chapter events, but who may be willing and able to contribute.

37 members have committed to the Sustainers of the Dream campaign, including 3 who committed at the AKArama Kickoff.

A total of \$5,000.00 has been collected, and 2 commitments have been paid in full.

A Sustainers Reception will be held on Thursday, September 22nd, at the home of Member Felicia Stanton Gray, catering and underwriting yet to be determined. This will be an opportunity for contributions to be completed before the souvenir journal printing deadline.

At the September chapter meeting, an energetic appeal will be made to members in attendance to commit to the campaign. Sustainers must complete commitments in full by September 23rd to be included in the AKArama souvenir journal, but contributions can be made until December 31, 2016 for names to appear on the plaque.

Sisterly,

Raymonda T. Johnson
Director, Resource Development and Fundraising
