### Mentoring Committee – “Restranding Our Pearls”

Executive Committee Meeting

Saturday, September 3, 2016

Good morning Sorors,

On Sunday, June 5<sup>th</sup> the Mentoring Committee held a Mentor/Mentee Mix ‘n Mingle here at the Akarama Foundation Community Service Center from 2 – 5 pm. The afternoon was filled with food, fun and games with mentors and mentees dressed in Spring Chic attire. The event began with a welcome from our basileus, Soror Bertina Power-Stewart, who reiterated the importance of the Mentoring Committee/Program and its purpose. Sorors participated in a “strand strengthener” *Two Truths and a Lie* and learned unusual and unique facts about one another. The Mentoring Committee’s focus for the afternoon was all about conferences – frequency, purpose and content. Soror Kamilah Parker, Theta Omega Protocol chairman, provided a refresher overview of conference do’s and don’ts. Soror Patti Hoyle-Heavens, Theta Omega Mentoring committee member, gave a brief presentation on the differences of our conferences and what to expect when attending. Lastly, sorors continued to mix ‘n mingle getting to know one another, making summer plans and strolling.

Sorors please send your mentor/mentee summer outings and boule pictures to [conseeaka@yahoo.com](mailto:conseeaka@yahoo.com) with a brief description.

Look for upcoming mentor/mentee events this fall sponsored by the Mentoring Committee.

Sisterly submitted,

Soror Consuela M. Vanderford McLin

Mentoring Committee Chairman
