EXECUTIVE COMMITTEE MEETING
BASILEUS REPORT
THURSDAY, FEBRUARY 25, 2016

Good Evening, Sorors,

Founders' Day 2016

The Basileus attended Founders' Day 2016 at the Westin River North on Saturday, February 20, 2016. The venue was beautiful and convenient for our VSGs and attendees. During and after the program, we had several Sorors go into medical distress. These Sorors were as follows:

1. Natalie Howse, the guest of Soror Masah Renwick, passed out but returned to the function after receiving medical attention;
2. Floretta Glover, the sister-in-law of Valee Salone, passed out, and was taken to the hospital but released on Sunday.
3. At the end of the event, our very own Theta Omega Sister Sorors, Sorors Helen Moore and Ruth Wooldrige, fell when attempting to leave the Founders' Day. Both Sorors were taken to Northwestern Hospital for treatment. Soror Helen was released on Sunday, however Soror Ruth was not discharged until Wednesday, February 24, 2016, from the hospital and admitted to Warren Barr Nursing Pavillion Gold Coast Center, located at 66 West Oak Street, Chicago, Illinois 60610. Soror Ruth is in Room 524, Bed 1. Let's keep Soror Ruth in our prayers and provide support for Soror Helen as she cares for her sister.

Please shower all of these Sorors with cards, flowers, calls, prayers and love during this time.
