

Alpha Kappa Alpha Sorority, Incorporated

Theta Omega Executive Board Meeting

Target V -- Connection Committee

Connection Committee Report—February 25, 2016

Chairman—Soror Josephine H. Perry

Co-Chair—Soror Kimberley Egonmwan

On Tuesday, February 16, 2016, The Connection Committee held a very successful Voter's Registration Drive at the Center on Halsted, 3656 North Halsted, Chicago, Illinois. The Center provided the space and set up. We were adjacent to Whole Foods and that allowed us to access to Whole Food shoppers. We arrived at 1:00 P.M. and departed at 6:30 P.M... We registered 48 potential voters and completed 15 changes of address forms. All completed voter registration materials have been submitted to the Board of Election. Sorors in attendance: Soror Josephine Hamilton Perry and Soror Rita Holland

On Wednesday, February 17, 2016, Theta Omega Chapter was invited to, A Hear the Candidate Speak Event, Parkway Ballroom, 4459 South King Drive, Chicago, Illinois. Twenty-four Sorors had the opportunity to hear Senator Hillary Clinton, candidate for the office of President of the United States, present her platform to residents of the city of Chicago. Sorors are still sharing the experience.

On Saturday, February 13, 2016 the Connection Committee Chairman was invited to attend a Rainbow Push Coalition Political Education Class. Cook County Board of Commissioner, Richard Boykin and Metropolitan Water Reclamation Commissioner, Debra Shore gave an overview of their responsibilities as Commissioners. Commissioner Debra Shore assured us that Cook County Water was safe to drink. They are both available upon request to come and talk with Sorors of Theta Omega and the community on their role as Commissioners. A request will be sent at a later date.

Sorors February, 2016 has been filled with many exciting activities. March, 2016 our concentration will be on getting out the Vote and Political Education. Locations, dates and times for events will be available on line as soon as all details are finalized.

Respectfully Submitted By,

Josephine Hamilton Perry (Chairman of the Connection Committee
