Theta Omega Chapter
Holiday Affair 2016**

May 13, 2016

The Holiday Affair Committee met on Tuesday, April 12th with twenty members in attendance. There were two primary objectives for this meeting. The first objective was to establish a reasonable ticket price that would cover escalating food cost and expenses and second to create a zero based budget that would accommodate the financial needs of this event.

The committee voted for a \$50.00 ticket price for Holiday Affair 2016.
