Theta Omega Chapter

Chapter Meeting

Friday, March 11, 2016

Good evening Sorors,

The Mentoring Committee is a new focus under Madame Supreme's *Launching New Dimensions of Membership* ; "we must retain, support, engage and uplift each Soror as she works to grow personally, professionally and in AKA."

The Theta Omega Mentoring Committee held its first meeting on Thursday, February 2, 2016 at 6 pm at the Akarama Foundation Community Service Center. We successfully established the mission statement, slogan, goals and objectives of the newly formed Mentoring Committee. We went on to formulate a strategy using an evaluation form to measure the program's effectiveness.

The committee also met on Thursday, February 23, 2016 at 6 pm at the Akarama Foundation Community Service Center. The committee solidified the upcoming program events and the timeline is as follows:

- Monday, February 29th – Mentor/Mentee paring questionnaire circulated with the weekly newsletter
- Friday, March 11th – Mentor/Mentee paring questionnaire distributed and collected at chapter meeting for those that do not use technology or would prefer to fill it out on paper
- Wednesday, March 16th – Deadline to submit mentor/mentee paring questionnaire
- Tuesday, March 22nd and Saturday, March 26th (if needed) – Mentor/Mentee paring by the committee
- Saturday, April 2nd 10am – Noon – Mentor/Mentee Program kick- off workshop

As a newly formed Theta Omega committee under the 2016-2017 administration, the Mentoring Committee was not included in the 2016 Operating Budget. The committee is requesting \$500 for use during the year to conduct a program kickoff along with additional informative workshops and group activities.

Sisterly submitted,

Soror Consuela M. Vanderford McLin

Mentoring Committee Chairman
