Executive Committee Meeting
Standards Committee Report

November 3, 2016

As 2016 comes to an end, Theta Omega Chapter will confirm that we are **E3, Exceeding Expectations of Excellence**. The year-end report process begins tonight, as we urge every Soror to fulfill her obligation as a member of this chapter, and complete the chapter self-assessment form, and return it immediately to the Standards Committee member tonight. We want to exceed the minimum standard and set a standard of excellence, 100% participation, by every Soror donating 3 minutes of her time to complete her Chapter Self-Assessment Ballot.

We ask that all committee chairmen inform the Standards Committee Chairman of your next meeting and be responsible for collecting data from every Soror on your committee. Completed forms from your committee meetings can either be given to a Standards Committee Member or can be placed in the Standards mailbox.

The data collected documented and forwarded to our Chapter Basileus who is responsible for reporting the information to our Central Region Director.

The Standards Committee will certify our chapters documents and reminds our chapter officers that documents from 2016 must be collected, reviewed, appropriately bound and properly stored.

The Standards Committee supports Alpha Kappa Alpha Sorority's focus of self-assessment and continuous improvement. The committee will actively participate in the preliminary review of goals meeting schedule November 15, 2016.

Respectfully,

Felicia S. Gray
Chairman
