Theta Omega Chapter Meeting

Graduate Advisors Report

March 10, 2017

Good evening Sorors,

Beta held the MIP orientation meeting on Sunday February 26, 2017. At this time the chapter is on hold waiting for the regional directors' approval. There are some questions about the proposed dates that are being worked out with the Regional Director.

Soror Tiffany Hope and the Graduate Advisor, Soror Michelle Paramore, made a presentation on February 21, 2017 before the NPHC at the University of Illinois, Chicago Campus to regain a presence on the campus. After the PowerPoint presentation, the NPHC committee voted favorably to allow the chapters return to the NPHC.

Currently there are 3 financial, active sorors in Beta. There are two members registered for Regional Conference.

Sisterly submitted,

Soror Michelle Paramore
Interim Graduate Advisor
